## November 2023

### MESSAGE FROM THE DIRECTOR

Greeting Families,

Hope you all have been doing well. I want to thank you all for your patience at the beginning of the school year as we went through staffing changes. Your kindness and words of encouragement were greatly appreciated. I have finally put together a team that I am confident will give your child memorable learning experiences filled with fun activities and creating a relationship closer to God. Our Fall Festival in September was a treat as always. Thank you to all that were able to attend. As we enter November that staff and I are ready to kick off the holiday season. I am sure you could tell when you enter the building and hear Christmas playing. Make sure to check our Facebook page for dates of special events. Your continued support and trust in Open Arms are truly appreciated.

*Ms. Kisha Torres*

Director
